

KEEP YOUR HANDS OFF IT

New and Improved
Lighter weight head provides improved balance
for ease of use.

LHR's ShoveIt Hand Safety Tool helps avoid hand injuries while working with suspended loads. This proprietary Hand Safety Tool helps:

- Push against flat surfaces, corners or rounded edges of suspended loads
- Move and position pipe and tubulars
- Grab slings and tag lines.

Part Number	Length	Description
LHR SHST21R	21"	Tool, Hand Safety ShoveIt Rubber Inserts
