

LOKKIT1

Comprehensive Locking Off Kit

The LOKKIT1 is a comprehensive lock out kit enabling safe isolation procedures to be carried out in a wide range of facilities. The Martindale universal lock out kit is compatible with most circuit breakers. It is supplied with a padlock that has its own unique key, and a safety hasp that enables multiple users to lock off with space for up to 6 padlocks.

The kit comprises of 8 different locking devices for simple fitting to MCBs, RCBOs and fuse holders. The professional plastic bodied padlock for securing the locking devices has a 6mm hardened steel. The kit is completed with 5 warning tags and a marker pen, all in a durable case with space for storing additional accessories.

The LOKKIT1 includes:

- 1 x Padlock with unique key (PAD10R)
- 1 x Hasp (LOKHASP25)
- 1 x MCB Isolation lock kit (5 pieces) (LOKMCB)
- 1 x Yellow MCB lock, 10mm clip (LOK10)
- 1 x Red MCB lock, 6mm clip (LOK11)
- 5 x "Equipment locked out tags" which can be written on (TAG4)
- 1 x Black marker pen (LOKMP)
- 1 x TC55 soft carry case (TC55)

Due to policy of continuous development, Martindale Electric reserves the right to alter equipment specification and description outlined in this document without prior notice. No part of this document shall be deemed to be part of any contract for the equipment unless specifically referred to as an inclusion within such contract. © Martindale Electric Co. Ltd. 2018
