TEXCAN

A Sonepar Company

WIRE & CABLE
SPECIALISTS SINCE
1978

Services Tailored to Your Needs

As a privately-owned BC-based company that is part of the Sonepar Group, Texcan is one of the largest electrical distributors in Canada. We've been wire and cable specialists since 1978 and have built a reputation for going to great lengths for our customers.

In addition to an extensive inventory of North American-made products, we offer specialized services and applications enabling us to meet your unique requirements.

Our cost-effective solutions provide peace of mind and help you focus on other aspects of your projects:

Extensive Inventory

As a national distributor with over 16,000+ unique products and 800,000 ft2 in warehouse space, we are ready to deliver the products you need, when you need them. We leverage our global procurement network to buy products in high volume at competitive pricing.

Project Management

Texcan has experience in many large scale wire and cable projects in various industries. Our team of specialists work with engineers, project owners, and contractors to support major national or international projects in a start-to-finish service cycle.

Supply Chain Solutions

We help increase customer efficiencies and control costs with our competitive pricing and comprehensive services. We can help you reduce carrying costs, free up your warehouse space and eliminate waste by delivering only what is needed, on time.

Cabling Solutions

Tailored cable solutions to fit jobsite applications include:
