

# Protective Cap, Size 4

To protect assembled CONNEX cable connectors size 4.

Technical Characteristics:

- not voltage proof
- made of plastic
- with o-ring seal, therefore dust-proof and water-tight

Picture may vary.

## Technical Data

|                                |                     |                   |
|--------------------------------|---------------------|-------------------|
| Article no.                    | 827 708 011         |                   |
| Size                           | 4                   |                   |
| Working place                  | indoor and outdoor  |                   |
| Environment temperature        | (°C)                | -45°C up to 50°C  |
| Protection class               | IPX7                |                   |
| Highest voltage                | U <sub>m</sub> (kV) | not voltage proof |
| Nominal voltage                | U <sub>n</sub> (kV) | not voltage proof |
| Rated design voltage to ground | U <sub>0</sub> (kV) | not voltage proof |

## Dimensions

|          |      |     |
|----------|------|-----|
| Diameter | (mm) | 206 |
| Height   | (mm) | 339 |
